The West Ottawa CTEE (Cultural, Technological, Environmental, Exchange) proudly presents the 10th annual WO-Stock music festival providing West Michigan with a night full of entertainment over two nights! The music festival is scheduled for March 18th and 19th at West Ottawa High School. We are hosting 30 bands over the course of two nights and will have two stages inside of our venue. We will be selling a two night ticket for \$15 and a single night ticket for \$10. All monetary funds collected from the event will be put towards the CTEE mission to further provide distant learning opportunities for students both here in West Michigan and abroad in Cameroon, Africa. If you are looking to perform this year be sure to fill out the application online and submit it quickly. As of today January 12th, 2011 we will be reviewing all applications for performance — notification of acceptance into the program will be sent out by February 25th, 2011. This year we have capped the number of bands to 30 to insure more playtime and longer better play sets for not only the performers, but the audience. For more information on tickets sales or CTEE please contact us through:
